Dear Providers,

Here is the latest forecast for Hurricane Sally.

As you can see we are expected to receive a lot of rain again tomorrow which makes travel on our roads risky. Winds are not forecasted to get to Tropical Storm strength until Thursday, but that could change. Okaloosa and Walton County schools have decided to be closed today and tomorrow, September 15-16, 2020.

In the interest of safety we will close our offices tomorrow, Sept. 16, 2020. We will be monitoring the storm development closely and ask that you monitor your email and our website for updates, especially regarding Thursday and Friday as this storm loops back around us.

Although the Coalition office is closed Sept. 16, 2020, a few staff, myself included, will be monitoring email and sending updates as required. Send all emails to klooney@elc-ec.org regarding storm updates and closures. Katie will send out blank closure forms after the storm.

Everyone, please stay safe.

Sincerely,

Renea Black
Executive Director
