### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the financial statements of Early Learning Coalition of Okaloosa and Walton Counties, Inc. (the Coalition), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Coalition as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Coalition and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Prior Period Financial Statements***

The financial statements of the Coalition as of June 30, 2021 were audited by other auditors whose report dated July 5, 2022 expressed an unmodified opinion on those statements.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Coalition's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Coalition's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance as required by Title 2 *U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and Chapter 10.650, *Rules of the State of Florida Auditor General*, is presented for purposes of additional analysis and is not a required part of the financial statements. The information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and to certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and states financial assistance is fairly stated, in all material respects, in relation to the financial statements as a whole.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated January 27, 2023 on our consideration of the Coalition's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Coalition's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Coalition's internal control over financial reporting and compliance.

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Organization and Purpose**

The Okaloosa County School Readiness Coalition, Inc. was organized as a not-for-profit corporation under the laws of the State of Florida in 2000. In 2004, the Okaloosa County School Readiness Coalition, Inc. merged with the Walton County School Readiness Coalition, Inc. forming the School Readiness Coalition serving Okaloosa and Walton Counties, Inc. In 2016, the Organization changed its name to the Early Learning Coalition of Okaloosa and Walton Counties, Inc. (the Coalition). During 2018, the Coalition began doing business as the Early Learning Coalition of the Emerald Coast. The Coalition maintains an office in Shalimar, Florida. The satellite office in Crestview, Florida was closed during the fiscal year ended June 30, 2021.

The Coalition is primarily funded by support from federal and state agencies contracted through the Florida Division of Early Learning (DEL). The purpose of the Coalition is to provide a coordinated delivery system of school readiness programs that will prepare children to enter the Okaloosa and Walton County kindergarten school systems. In addition, part of the Coalition's mission is to increase the availability, affordability and quality of childcare services to children. The children who qualify for these programs are at-risk and/or from low-income families.

The Coalition operates three major programs:

- *Direct Child Care* – includes both School Readiness/Subsidized Child Care Program (SR) and Voluntary Pre-Kindergarten (VPK) – The SR program provides for early education and care for children of families with limited incomes and enables parents to gain and/or sustain their economic self-sufficiency through maintenance of employment or participation in job skill/vocational training leading to employment. The program provides for the needs of children from low-income families that are working, children from families that are transitioning from welfare to self-sufficiency, and children that are under protective supervision or in foster care placement. Program participants have access to health, developmental and educational screenings and other support services. Caregivers are held accountable for providing safe learning environments that nurture and cultivate the child's cognitive, language, motor, social and self-help skills. The VPK program consists of state mandated dollars used to support a voluntary pre-kindergarten program for all four-year-old children. Funding is based on a base student allocation per full-time equivalent student in the Voluntary Pre-Kindergarten Education Program and is determined at the state level.
- *Non-Direct Child Care* – payments for directly incurred support costs for childcare services such as eligibility determination, training for providers and resource and referral services.
- *Quality Initiatives* – payments for directly incurred costs designed to enhance experiences for children, staff and other early childhood professionals.

NOTES TO FINANCIAL STATEMENTS

June 30, 2022

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

**Basis of Accounting and Presentation**

The financial statements have been prepared on the accrual basis of accounting and in accordance with the accounting principles generally accepted in the United States of America (US GAAP), which requires that the Coalition report information regarding its financial position and activities based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes in net assets therein are classified as follows:

*Net Assets Without Donor Restrictions* – Net assets available for general use and are not subject to donor restriction.

*Net Assets with Donor Restrictions* – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature that may or will be met either by passage of time or the events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity.

**Cash**

The Coalition classifies as cash all checking, saving and money market accounts and all highly liquid investments maturing within 90 days of purchase.

**Due from the State of Florida**

Funds due from the State of Florida as reimbursement for contract services are considered past due if not received in accordance with contract terms. Management believes an allowance for doubtful accounts is not necessary based on terms of the service contracts.

**Property and Equipment**

The coalition capitalizes property and equipment with an original cost in excess of \$1,000 and a useful life greater than one year. If donated, assets are recorded at fair market value at the date of the donation. Depreciation of property and equipment is computed using straight-line depreciation over the estimated useful lives of the assets, which is five years.

Property acquired with governmental funds is considered to be owned by the Coalition while used in the program for which it was purchased or in future authorized programs. However, its disposition as well as the ownership of any proceeds from the sale of assets is subject to applicable regulations.

**Due to Service Providers**

Due to service providers represents amounts owed to contract providers for program services performed.

**Due to the Division of Early Learning**

Due to Division of Early Learning represents unspent grant advances owed back to the DEL.

**Revenue Recognition**

In May 2014, the Financial Accounting Standards board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers* (ASC 606), which prescribes a single, common revenue standard to replace most existing revenue recognition guidance, including most industry-specific requirements. The standard outlines a five-step model whereby revenue is recognized as performance obligations within a contract are satisfied.

**Early Learning Coalition of Okaloosa and Walton Counties, Inc.  
D/B/A Early Learning Coalition of the Emerald Coast, Inc.**

**NOTES TO FINANCIAL STATEMENTS**

**June 30, 2022**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Revenue Recognition (continued)**

In June 2018, the FASB issued ASU No. 2018-08, *Not-for-Profit Entities: Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made* (ASC 958), which clarifies how transactions should be accounted for as contributions (nonreciprocal transactions) or exchange transactions and whether a contribution is conditional.

The Coalition adopted ASC 606 and ASC 958 and all related amendments effective July 1, 2019. The adoption of the new standards had no significant impact on the Coalition's financial statements.

Public support revenue from federal and state grants is recorded based upon the terms of the grantor agreement, which generally provides that revenue is earned when the allowable costs of the specific grant provisions have been incurred. The majority of public support is received on a reimbursement basis for costs already incurred.

**Expense Allocation**

The costs of providing the various programs and other activities have been detailed in the statements of functional expenses and summarized on a functional basis in the statements of activities. Expenses directly related to a program or supporting service are charged to the individual program or supporting service. Indirect expenses are allocated between non-direct childcare, quality initiative program services, management and general expenses based on an allocation to the program's total direct costs less federal and state funded capital asset purchases.

**Income Taxes**

The Coalition has been granted an exemption from income taxes under Section 501(c)(3) of the Internal Revenue Code as a not-for-profit corporation. The Coalition is not aware of any uncertain tax positions that would require accrual or disclosure in accordance with accounting principles generally accepted in the United States of America.

The Coalition's tax returns are subject to possible examination by taxing authorities. For federal income tax purposes, the tax returns remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Contributed Non-Financial Assets**

In September 2020, the FASB issued ASU No. 2020-07, *Not-for-Profit Entities* (Topic 958): *Presentation and Disclosures by Not-for-Profit Entities for Contributed Non-financial Assets*, which requires the monitoring and tracking of gifts in kind by asset category, while also noting any donor-imposed restrictions. The Coalition adopted ASU No. 2020-07 effective July 1, 2021. The adoption has no significant impact on the Coalition's financial statements.

**NOTES TO FINANCIAL STATEMENTS**

**June 30, 2022**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**Recent Accounting Pronouncements Not Yet Adopted**

*Leases* – In February 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842). This guidance amends the existing accounting standards for lease accounting, including requiring lessees to recognize most leases on their balance sheet. It also makes targeted changes to lessor accounting, including a change to the treatment of initial direct leasing costs, which no longer considers fixed internal leasing salaries as capitalizable costs. In June 2020, FASB issued ASU 2021-05, *Revenue from Contracts with Customers* (Topic 606), and *Leases* (Topic 842), that allows entities to elect to postpone adoption until fiscal years beginning after December 15, 2021. The standard is effective for the Coalition’s fiscal year ending June 30, 2023. The Coalition is currently evaluating the impact of adopting this guidance on its financial statements.

**Subsequent Events**

The Coalition has evaluated events and transactions that occurred between June 30, 2022 and January 27, 2023, which is the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

**NOTE 2 – LIQUIDITY AND AVAILABILITY OF RESOURCES**

The Coalition regularly monitors liquidity to meet its operating needs and other contractual commitments. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Coalition considers all expenditures related to its ongoing activities of its mission as well as the conduct of services undertaken to support those activities to be general expenditures.

As of June 30, 2022 and 2021 the following tables show the total financial assets held by the Coalition and the amounts of those financial assets available within one year of the date of the statement of net position to meet general expenditures.

	2022	2021
Cash and cash equivalents	\$ 1,212,087	\$ 1,140,567
Grants receivable	168,416	343,356
Other receivables	4,200	4,200
Total financial assets available within one year	1,384,703	1,488,123
Less those unavailable for general expenditures within one year, due to contractual or donor-imposed restrictions:		
Matching contributions	(11,502)	(19,764)
Amounts due back to Florida DEL	(83,711)	(26,128)
Restricted by donor with time or purpose restrictions	(71,156)	(190,101)
Total financial assets available to meet general expenditures over the next 12 months	\$ 1,229,836	\$ 1,252,130

**NOTES TO FINANCIAL STATEMENTS**

**June 30, 2022**

**NOTE 3 – PROPERTY AND EQUIPMENT**

Property and equipment consisted of the following:

	<u>2022</u>	<u>2021</u>
Furniture and equipment	\$ 58,950	\$ 58,950
Less: accumulated depreciation	<u>(45,664)</u>	<u>(38,935)</u>
Total property and equipment, net	<u>\$ 13,286</u>	<u>\$ 20,015</u>

Depreciation expense was \$6,728 and \$5,794 for the years ended June 30, 2022 and 2021, respectively.

**NOTE 4 – REFUNDABLE ADVANCES AND SUBSEQUENT EVENT**

In response to the COVID-19 pandemic, the Coalition received funds in advance in the form of grants and related matching contributions and the Payroll Protection Program (PPP) loan. Refundable advances consisted of the following:

	<u>2022</u>	<u>2021</u>
Unspent local grant matching contributions	\$ 11,502	\$ 19,764
Paycheck Protection Program (PPP) loan	<u>-</u>	<u>230,257</u>
	<u>\$ 11,502</u>	<u>\$ 250,021</u>

**Paycheck Protection Program (PPP) Loan**

The Coalition received a Paycheck Protection Program (PPP) loan in the amount of \$230,257 granted by the U.S. Small Business Administration (SBA) under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). PPP loans are classified as conditional contributions, with a right-of-return in the form of an obligation to be repaid to the lender if a barrier to entitlement is not overcome. The PPP loan funds must be used to maintain compensation costs and employee headcounts, as well as for other qualifying expenses (mortgage interest, rent, and utilities) incurred following the receipt of the funds. As of June 30, 2021, the PPP loan was recorded as a refundable advance on the statement of financial position. In July 2021, the Coalition's PPP loan was officially forgiven and recognized as income during the year ended June 30, 2022.

**NOTES TO FINANCIAL STATEMENTS**

**June 30, 2022**

**NOTE 5 – NET ASSETS WITH DONOR RESTRICTION**

As of June 30, 2022 and 2021, the Coalition's net assets with donor restrictions, as restricted by the Florida DEL are comprised as follows:

	2022	2021
Net proceeds from sale of Coalition land and building	\$ 68,565	\$ 187,510
Net contribution from dissolved related party Okaloosa-Walton Childcare Services	2,591	2,591
	\$ 71,156	\$ 190,101

The net proceeds from the Coalition's sale of land and buildings in 2018 are required to be restricted as directed by the DEL. The Coalition may use these proceeds for School Readiness expenditures as allowed by the DEL. The funds are to be expended no later than June 30, 2023.

**NOTE 6 – CONCENTRATIONS**

For each of the years ended June 30, 2022 and 2021, the Coalition received substantially all of its public support from the DEL. The funding received from the DEL is derived from both federal and state sources. The schedule below shows the allocation of funds received from the DEL.

	<b>Fiscal year ended June 30,</b>	
	2022	2021
Source		
Federal	70%	72%
State	30%	28%

**NOTES TO FINANCIAL STATEMENTS**

**June 30, 2022**

**NOTE 7 – OPERATING LEASE**

The Coalition leases office space in a commercial office park. The lease commenced in March 2018 and has a 60-month lease term that expires in February 2023. The lease requires \$12,000, monthly base payments for the first 12 months of the lease with the monthly payment escalating 3% annually for each of the next four, 12-month periods of the lease term. The lease has been extended through February 2026. Rent expense incurred under this lease agreement for the years ended June 30, 2022 and 2021, was \$158,926 and \$195,823, respectively. Future estimated noncancelable lease payments as of June 30, 2022, are as follows:

2023	\$ 135,869
2024	91,255
2025	86,840
2026	59,040
	<u>\$ 373,004</u>

**NOTE 8 – COMMITMENTS AND CONTINGENCIES**

**Concentrations of Credit Risk**

The Coalition's cash balances held at financial institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to certain limits. At June 30, 2022 and 2021, the Coalition exceeded the FDIC insured limits at financial institutions by approximately \$650,000 and \$950,000, respectively, which is the amount of the Coalition's exposure to credit loss. The Coalition has not experienced any losses in such accounts and believes there is little or no exposure to any significant credit risk.

**NOTE 9 – RISK AND UNCERTAINTY**

On January 30, 2020, the World Health Organization ("WHO") announced a global health emergency because of a new strain of coronavirus originating in Wuhan, China (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally beyond its point of origin. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Company's financial condition, liquidity, and future results of operations. Management is actively monitoring the global pandemic situation on its financial condition, liquidity, operations, suppliers, industry, and workforce.

**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS AND STATE  
FINANCIAL ASSISTANCE**

**Year Ended June 30, 2022**

**NOTE 1 – BASIS OF PRESENTATION**

The accompanying schedule of expenditures of federal awards and state financial assistance (the Schedule) includes the federal and state award activity of Early Learning Coalition of The Okaloosa and Walton Counties, Inc. (the Coalition) under programs of the federal government and the state of Florida for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and Chapter 10,650, *Rules of the State of Florida Auditor General*. Because the Schedule presents only a selected portion of the operations of the Coalition, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Coalition.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

**NOTE 3 – INDIRECT COST RATE**

Indirect expenses are allocated between non-direct childcare, quality initiative program services, management and general expenses based on an allocation to the program's total direct costs less federal and state funded capital asset purchases. Accordingly, the Coalition has elected not to use the 10% de minimis indirect cost rate.

To the Board of Directors of  
Early Learning Coalition of Okaloosa and Walton Counties, Inc.  
d/b/a Early Learning Coalition of the Emerald Coast

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Early Learning Coalition of The Okaloosa and Walton Counties, Inc. (the Coalition), which is comprised of the statement of financial position as of June 30, 2022, and the related statements of activities and change in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 27, 2023.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Coalition's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control. Accordingly, we do not express an opinion on the effectiveness of the Coalition's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not been identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Coalition's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Coalition's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Coalition's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance for Each Major Federal Program and State Project**

**Opinion on Each Major Federal Program and State Project**

We have audited Early Learning Coalition of Okaloosa and Walton Counties, Inc. (the Coalition) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Coalition's major federal programs and state projects for the year ended June 30, 2022. Coalition's major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Coalition complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2022.

**Basis for Opinion on Each Major Federal Program and State Project**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audit contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and Chapter 10.650, Rules of the Auditor General of the State of Florida (Chapter 10.650)*. Our responsibilities under those standards and the Uniform Guidance and Chapter 10.650 are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Coalition and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of the Coalition's compliance with the types of compliance requirements referred to above.

**Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Coalition's federal programs and state projects.

## **Auditor's Responsibilities for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the types of compliance requirements referred to above occurred, whether due to fraud or error, and to express an opinion on the Coalition's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650 will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the types of compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Coalition's compliance with the requirements of the federal programs or state projects as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650 we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Coalition's compliance with the types of compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Coalition's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, but not for the purpose of expressing an opinion on the effectiveness of the Coalition's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## **Report on Internal Control Over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650. Accordingly, this report is not suitable for any other purpose.

**Section V – Status of Prior Year Audit Findings**

**FINDING 2021-001 – DOCUMENTATION FOR MATCHING CONTRIBUTIONS**

**Criteria**

Section 440.10, *Match Reporting*, of the Florida Division of Early Learning's (DEL) Program Guidance states that matching contributions shall be verifiable from the Coalition's records and must not be paid by the federal government under another award, except where authorized by federal statute to be used for matching.

**Condition**

The Coalition's documentation of the activities performed to verify that matching contributions were derived from non-federal sources was incomplete.

**Cause**

There was inadequate management oversight regarding match-raising activities and the related reporting and documentation requirements.

**Effect**

The Coalition was not in compliance with the match reporting requirements of the grant agreement.

**Resolution**

Resolved: The new management team has implemented policies and procedures to document the source of all match contributions with the donor agencies.

**FINDING 2021-002 – EMPLOYEE TRAVEL POLICIES AND PROCEDURES**

**Criteria**

Section 240.10, *Travel*, of DEL's Program Guidance states that all Coalitions are required to follow the Florida Department of Education's (FDOE) Travel Policy, which sets forth the policies and procedures for employees traveling on Coalition business.

**Condition**

During testing of travel expenses, we note multiple instances in which travel authorization request forms for a certain employee's travel were not properly completed and approved prior to incurring the related travel expenses, as mandated in the FDOE's Travel Policy.

**Cause**

The employee did not complete and submit travel authorization request forms to the appropriate supervisor in a timely manner.

**Effect**

The Coalition made multiple travel reimbursement payments to an employee that were not in compliance with the grant agreement.

**Resolution**

Resolved: The new management team has implemented policies and procedures to ensure that all travel expenses incurred for Coalition business are reviewed and approved prior to the travel taking place.
